

## **The BIG Jubilee Lunch**

### **The Queen's Diamond Jubilee Beacons**

The Queen (well actually Buckingham Palace) has asked if we would join her on Sunday, 3<sup>rd</sup> June next year, for lunch. The plan is for as many of her subjects as possible to join their neighbours and friends, and basically we are being instructed to have a street party!

The Parish Council has been asked by the Lord Lieutenant of Somerset to see that this takes place and accordingly we are looking for volunteers to organise our event.

In the matter of "entertainment" it is likely, this being a Jubilee celebration, that our Priston Jubilee Morris will be there. Much, much more entertainment would of course be advisable...

We have also been asked to light a beacon at 10:30pm on Monday 4<sup>th</sup> June. The aim is to have at least 2012 beacons lighting up the Realm. Again we need volunteers to organise our magnificent Brazier.
