LOCAL COMMUNITY CAFÉ CELEBRATES 18 YEARS OF SERVING TEA, COFFEE, BACON BUTTIES AND CAKE!

Priston Saturday Café started serving the local community back in April, 2007. Thanks to a willing team of volunteers, most of whom have been serving the community since the beginning, the café runs every Saturday morning, in the village hall. The prices are low, but profits are made. These profits soon mount up, and donations are made to a variety of charities, as suggested by our customers and volunteers. Some charities are local, some national or international. To date, the café has donated in excess of £23,000.

Here is a list of charities that have benefitted from our weekly gatherings:
