

## **Priston Festival Safeguarding Policy**

### **Introduction**

1. The Priston Festival is a registered charity which presents an annual music and arts festival in the village of Priston, together with other cultural events throughout the year. These events may include some elements which are intended to attract children as audience, or as participants in group activities. Examples of organised activities focussed on children include an art project, face-painting, story-telling, puppet shows, film shows and music workshops. Children are also welcome to join events primarily targeted at adults where this is safe and appropriate.

### **Statement of Intent**
