AED Report for Priston Parish Council 27th January 2014.

1. On last inspection on Sunday 19th January all was found to be in order.
2. Further courses are being planned hopefully during April and May and as on previous years will be held on a Wednesday evening and Saturday afternoon. These courses will be suitable for refresher training for those whose certificates are out of date and for newcomers.
3. Am still waiting response from Nationwide Building Society concerning the request for grants for training. Plans are being formulated for a fund raising effort if this is not approved.
4. In the event of funds not forthcoming, may I ask the council if it would be willing to cover the cost of this series of two courses until funds have been raised. Subsequent to which those costs will be repaid to the Council.

End of Report.

John Wilkinson.

Roads and Highways Report for PPC Meeting 27th January 2014

Traffic Speed through Village

Enquiries have been made of the Police as to the requirements/conditions which need to be met for a mandatory speed limit to be enforced through the village.

So far I have been advised that where there are no street-lights there must be regular repeater signs.

A request for further guidance has been made by e-mail to the Speed Enforcement Unit but no response has been received yet.
